

Special Track Session 14

**Debate 6**

**Wednesday, October 19, 09:45-11:15, Hall 112 (Arena)**

**Session Title**

**Dosimetry in Clinical Practice – Sense vs. Nonsense**

**Moderators**

**Jonathan Gear** (London, United Kingdom)

**Francesco Cicone** (Catanzaro, Italy)

**Speakers**

**Amy Eccles** (London, United Kingdom):

**Dosimetry for No One**

**Steffie Peters** (Nijmegen, Netherlands):

**Dosimetry For Everyone**

The speakers present their controversial introduction statements.

Afterwards the speakers are asked on stage.

They can bring supporters, if they like.

Moderators will lead the lively discussion.

The audience is strongly invited to participate.

Microphones are provided in the room.
