

Special Track Session 8

Debate 2

Monday, October 17, 16:45-18:15, Hall 112 (Arena)

Session Title

Fluorine-18 Alternatives for Oncological Gallium-68 Tracer

Moderators

Christophe Deroose (Leuven, Belgium)

Irene Burger (Zurich, Switzerland)

Speakers

Clemens Decristoforo (Innsbruck, Austria):

Gallium-68 Champion

Guy Bormans (Leuven, Belgium):

Fluorine-18 Champion

The speakers present their controversial introduction statements.

Afterwards the speakers are asked on stage.

They are allowed to bring supporters, if they like.

Moderators will lead the lively discussion.

The audience is strongly invited to participate.

Microphones are provided in the room.
